

Justice Sonia Sotomayor Complaint

The presentations and behaviors of several Supreme Court associate justices at the OSHA Oral Arguments session on January 7, 2022 were truly unprofessional and improper for any judge or legal authority as witnessed during this hearing. The tone and inferiorly articulated comments were embarrassing, and in some exchanges, downright incorrect. The listing below is an example of the outrageous and erroneous statements made by our highly appointed judges. They should be strongly encouraged to point to their facts by way of demonstrating via scientific journals, federal or governmental databases, hospital census reporting, etc. If not, then their statements need to be retracted.

During the hearing Justice Sonia Sotomayor was one of three OFFENDERS when it came to her personal views and shameless untruths regarding Covid-19 and the mRNA shots marked as “vaccines”.

FACT – ALL vaccines still remain under emergency use authorization only

Justice Sotomayor knowingly and willfully misinformed the people of the United States in a crude attempt to justify her preordained conclusion that a federal vaccine mandate should be enforced.

Justice Sotomayor FALSELY claimed that the “vaccines” stop the spread of Covid-19 and particularly, the Delta and Omicron variants. In a statement dated July 30, 2021 @ [cdc.gov](https://www.cdc.gov), CDC director Rochelle Walensky is on record stating that the vaccines can no longer “prevent transmission”.

FACT - according to a Harvard study, “higher vaccination rates correlate with higher transmission rates, so, the vaccines are useless when it comes to stopping the spread of Delta or Omicron.”

Justice Sotomayor FALSELY claimed that un-vaccinated people are a “grave danger” to vaccinated people.

Justice Sotomayor FALSELY claimed that OSHA’s regulatory authority is a federal police power.

Justice Sotomayor FALSELY claimed, “We have over 100,000 children, which we’ve never had before, in serious condition, and many on ventilators,”. She was stating an opinion and not a fact.

FACT - According to the CDC, as of Jan 1st, there are only 140 children hospitalized from C19 across the United States. Even if we look at cumulative numbers since the start of the pandemic, that number is 5,500!!

Justice Sotomayor FALSELY stated that Omicron has been deadlier than the Delta variant which according to the CDC is not the case and is easily disproven. A state by state analysis <https://beckernews.com/new-charts-omicron-is-a-fraction-as-deadly-as-earlier-covid-pandemic-across-the-united-states-43531/> shows Omicron is a less deadly variant as Delta mainly due to “several states’ response to the Omicron variant surge & also due to testing sprees flaming the impression that the pandemic is still an imminent threat — deaths and real hospitalizations (meaning ICU and ER visits, not routine testing) are way down.” Anthony Fauci has even admitted that the Omicron variant was substantially milder. <https://www.washingtonpost.com/nation/2021/12/07/covid-omicron-variant-live-updates/>

SUPREME COURT JUSTICES OF THE UNITED STATES OF AMERICA ARE REQUIRED TO TAKE TWO OATHS.

THE FIRST IS AN OATH TO THE CONSTITUTION

"I, _____, do solemnly swear (or affirm) that I will support and defend the Constitution of the United States against all enemies, foreign and domestic; that I will bear true faith and allegiance to the same; that I take this obligation freely, without any mental reservation or purpose of evasion; and that I will well and faithfully discharge the duties of the office on which I am about to enter. So help me God."

THE SECOND IS THE JUDICIAL OATH

"I, _____, do solemnly swear or affirm that I will administer justice without respect to persons, and do equal right to the poor and to the rich, and that I will faithfully and impartially discharge and perform all the duties incumbent upon me as _____, according to the best of my abilities and understanding, agreeably to the constitution and laws of the United States. So help me God."

Justice Sonia Sotomayor repeatedly violated her Oaths of Office on January 7, 2022. I respectfully request that she be held accountable for her unprofessional and dishonest behavior. I respectfully request that Justice Sonia Sotomayor retract her statements, apologize to the American People, and be immediately removed if unfit to serve in her prestigious Supreme Court justice seat position.
