

Complaint Form

Section I

To submit an allegation of fraud, waste, abuse, or mismanagement of federal funds, please choose your filing preference (choose one): \*

- Standard - I do not place any restrictions on the release of my contact information. If necessary, you may contact me for more information about my submission.
- Confidential - Please keep my name confidential and do not release my contact information. If necessary, you may contact me for more information about my submission.
- Anonymous - I wish to remain anonymous and not provide my contact information. I recognize that by selecting this option, there will be no way to contact me for more information about my submission.

FraudNet prefers you provide a way for analysts to contact you if more information is needed to process the allegation. It is FraudNet's policy to honor requests for confidentiality. Analysts safeguard all information against unauthorized disclosure and will not release information identifying individuals unless required to do so.

It is important to provide as much detail about the incident as possible on this form. If you wish to update an existing allegation, you must create a new submission or contact FraudNet analysts using the other methods listed below. Please reference that an allegation was previously submitted.

Section II - Please provide as much detail about the incident as possible.

SUBMIT

Thank you for contacting FraudNet at the United States Government Accountability Office (GAO).

This automated message serves as acknowledgment of your submission. A complaint control number has been assigned (COMP-22-001493). Please maintain this unique control number for your records and for use when contacting GAO about the status of your submission.

This submission will be reviewed in the order in which it was received by one of our experienced investigative research analysts. If you chose a filing preference of either standard or confidential, you may be contacted if additional information is required to process this allegation. If our analysts determine further action is warranted, we will refer your allegation to the appropriate federal, state, or local agency or department for potential audit or investigation.
